Friday is Harvest Fast Day which this year will focus on the Democratic Republic of Congo where an estimated 4 million people died in the recent civil war. People living in Masisi, known as Little Switzerland because of its rolling green hills, have until recently been unable to reap the benefit of their land because of the violence. People have begun to return to their homes - but with nothing. By buying 100 cows and giving collective ownership Cafod is forming the basis of an assured future. It is planned to multiply these units.

NEXT FRIDAY - 6th October is the First Friday - Exposition of the Blessed Sacrament 2-3 pm

There are Booking Forms in the sacristy for the Family Conference at Brettargh Holt next weekend.

See notice of Open Evening at Cardinal Allen High School, tomorrow, Monday.
