Did you know .....CAFOD supporters have raised over £4.5 million to alleviate the crisis in East Africa? In Kenya alone we have restored water-points that will deliver clean water to more than 30,000 people. "I am very grateful to all those who support us. I believe that God can do miracles and that things will get better. That's what keeps me going" says Ayapan, a great-grandmother in north-west Kenya. May the peace and joy of Christ be with you all this Christmas.
