Did you know the livesimply parish award was launched nationally on 20th May? From making your church buildings more environmentally friendly to supporting Fairtrade, there are many ways of working towards an award. Inspired by the papal letter Populorum Progressio, livesimply challenges us to: live simply, sustainably with creation, and in solidarity with people in poverty. The award offers communities support, encouragement and recognition for successes in putting the three livesimply principles into practice, thus making a difference locally - and globally. For more information see www.livesimplyaward.org.uk
