Did you know CAFOD's new World Gifts include health kits, ducks and cows, as well as the best sellers, goats and piglets? In a recent interview, X Factor favourite and CAFOD ambassador Dermot O'Leary revealed that: "someone always gets a chicken or a goat for Christmas in the O'Leary household." Why not only, raise a small on Christmas day but also make a lasting difference to someone living in poverty overseas? For more details see www.cafod.org.uk/worldgifts or call the local CAFOD office.
