Did you know .... CAFOD has pledged over £110,000 towards emergency food packs and essential supplies for people who have lost their homes following heavy monsoon rains that have caused widespread flooding in Pakistan? While still recovering from the floods of 2010, over five million people have been affected by this year's floods, and at least a million homes have been damaged or destroyed. Many people are in urgent need of food, clean water and shelter. Please keep the people of Pakistan in your thoughts and prayers.
