Did you know..... since the genocide in 1994, Rwanda has made remarkable progress, however, the country is still struggling with chronic poverty, people suffering from HIV and AIDS, mass trauma and a generation of (an estimated 200,000) orphaned children? CAFOD's 3 focus area are *trauma healing*, helping people to overcome severe trauma through counselling; *justice and peace*, helping communities to be reconciled and live peacefully and *rebuilding lives*, building homes for people who lost everything in the genocide, helping people earn an income and supporting orphaned children to get an education.

Next Sunday there will be an appeal on behalf of SURVIVE-MIVA providing transport for missionaries.
