Did you know that in his World Day of Peace 2012 message, Pope Benedict stresses the importance of *Educating Young People in Justice and Peace*, channelling their energy and enthusiasm into building a more just and peaceful society? CAFOD works alongside young people in Columbia, where fighting has raged for over 40 years, and over 12,000 child soldiers have been recruited, often by force. Here, CAFOD supports the use of rap music to fight this culture. Using words not weapons, young people can and do build a more just and peaceful world.

RESPONSE TO THE PSALM
