Did you know ... CAFOD is scaling up its emergency response to the food crisis in Niger, West Africa? After a poor harvest, food prices across the region are alarmingly high, and millions of people are struggling to afford enough to eat. Grain stores which should be full are empty. Sacks of millet are now twice the usual price. With our partner CADEV Niger, we are increasing feeding programmes for some of the most vulnerable communities. When emergencies happen, CAFOD responds.

Collection: 18th March: £263.88 CAFOD: £250.40 (current total: £409.10)
