Did you know ... the Year of Faith starts on 11th October? Pope Benedict says: *"The Year of Faith (is) a good opportunity to intensify the witness of charity Indeed, many Christians dedicate their lives with love to those who are lonely, marginalised or excluded, as to those who are the first with a claim on our attention and the most important for us to support, because it is in them that the reflection of Christ's own face is seen."* Along with the global Catholic community, CAFOD looks forward to celebrating, promoting and engaging in the Year of Faith - faith in action is what CAFOD is about.
