Did you know..... CAFOD is calling on Brazilian authorities to halt a planned eviction of 2,000 people in Sao Paulo - including children, pregnant women, older and disabled people? This is an urgent and frightening situation for those families at risk. We can act to support the families in Brazil and raise awareness with those with the power to change the situation to ensure a positive and peaceful solution. They have the right to remain in their homes while more secure accommodation is found. We ask you to sign CAFOD's petition to halt this eviction <http://cafod.org.uk/take-action/brazil-stop-the-evictions>. Thank you.
