Did you know ... CAFOD welcomes Pope Francis' words, from the favelas of Brazil: "The Brazilian people, particularly the humblest amongst you, can offer the world a valuable lesson in solidarity. This word 'solidarity' is too often forgotten or silenced, because it is uncomfortable. I appeal to public authorities and to all people of goodwill who are working for social justice: never tire of working for a more just world, marked by greater solidarity. No-one can remain insensitive to the inequalities that persist in the world. We need an enduring peace in our communities, one that brings genuine social justice do not lose hope." CAFOD will not tire, nor lose hope. Solidarity unites us.
