Did you know..... CAFOD strives to reduce the impact of poverty, to address and challenge its root causes, and to empower people to bring about change for themselves. Sister Pascalina Mambwe, Franciscan Missionary Sisters of Assisi in Zambia, a CAFOD partner sums it up when she says, "CAFOD has done its part. We have done our part. Those we work with are now able to stand on their own two feet - they no longer depend on our HIV programme; they no longer depend on CAFOD. That is empowerment." This reflects your support and prayers - thank you.
