Did you know ... that Pope Francis recently said in Rio: *The measure of the greatness of a society is found in the way it treats those most in need, those who have nothing apart from their poverty?* At CAFOD, our mission is to work alongside the world's poorest people. We work without prejudice, we don't preach, and we pride ourselves on our diversity. We believe our Catholic values are best shown through working for justice and an end to poverty. This mission is made possible by your continuing prayers and generous support. Thank you.
