Did you know ... CAFOD's work was featured in a recent ITV documentary? In this powerful and at times disturbing film, award-winning journalist, Rageh Omaar takes the viewer through the 50-year history of the Disasters Emergency Committee. CAFOD worked closely with the filmmakers in Haiti and the UK to highlight some of the incredible projects your money has helped fund for those affected by the 2010 earthquake. The documentary was screened on 2 July and may be accessible on ITV-player.
