Did you know in Namibia, last year, after a second year of failed rains, almost half the population of 2.3 million experienced crop failure and food shortages? It was the worst drought that the country had experienced for 30 years. Over the last few months, CAFOD has worked with our Church partner Caritas Namibia to distribute food, including beans, rice, cooking oil and sugar, to ensure that people have enough to eat. We have particularly targeted those who are most vulnerable - including widows, older people and unemployed people.

Collection Sunday 4th May: £304.35. Cafod - £6.67 (Current Total: £96.63)

Attendance: 74
