Did you know since CAFOD's Lent 2012 UK Aid Match Fund Appeal where the Government matched your donations, we have been expanding our work in Water, Sanitation and Hygiene; Water Resource Management and Women's Empowerment across 24 countries? Eg in the Democratic Republic of Congo, 96% of the rural population cannot access clean water and sanitation facilities. We have been repairing and constructing water sources in five health zones across two provinces. Armed groups pose a constant threat, due to the highly coveted project materials such as timer and stone. Nevertheless 14 water springs have been developed and a further 15 are underway.

Collection Sunday January 5th: £253.17 Cafod: £31.14 (Current total: £176.07).
