"Infirm Clergy" when it appears among the Mass intentions is short for - Lancashire Infirm Secular Clergy fund. It has quite a history. See notice.

Did you know .... Pope Francis praised CAFOD's Church partners recently? He said, "The work of various Catholic charitable agencies is extremely significant. Assisting the Syrian population, without regard for ethnic or religious affiliation, is the most direct way to contribute to peace." Many of CAFOD's partners are operating at great risk to their own safety; publicising their work could endanger both them and the life-saving programmes they are delivering. We pray for the people of Syria and for the peace that is so urgently needed.
