Did you know .... 3 years on from the start of the crisis in Syria, a staggering 9.3 million people are in need of aid within the country - a figure that has risen sharply from 6.8 million in June 2013? A further 2.3 million people have fled the country as refugees. As part of the #WithSyria campaign, CAFOD has joined a coalition of more than 100 organisations around the world to call for peace. Please pray for an end to the bloodshed, an end to the attacks on civilians, including schools and hospitals.
