Did you know Fairtrade Fortnight starts on 24th February? CAFOD is asking you to help tackle the inequalities in our food system by making bananas fair. Albeiro Alfonso 'Foncho' Cantillo is a small-scale banana farmer from Colombia who sells mostly Fairtrade produce. This means he can afford to care for his family and give his daughter a good education. Please buy only Fairtrade bananas these next 2 weeks and call on the UK government to rebalance our food system, ensuring workers in global supply chains get a fair deal. See <http://foncho.fairtrade.org.uk> for more details.

Collection Sunday February 16th - £254.73 Catholic Education Services: £49.58.
