Did you know in Brazil's favelas, there is one goal: *to find a safe place to call home?* Actress and CAFOD supporter Jo Joyner travelled to Sao Paulo with CAFOD and said, "Millions were being spent on a football stadium, whilst the poorest communities were told there was no money for essential services. The contrast between rich and poor was shocking. We visited occupations - buildings taken over as housing by communities forced out of favelas - to meet people who face the daily threat of eviction". Stand by Brazil during this World Cup, and support the battle for rights, for a place to call home. Visit www.cafod.org.uk/standbyBrazil
