Did you know 8 out of 10 people who live in Tigray, northern Ethiopia, are farmers? Life is difficult. With little rainfall, drought is a real threat. CAFOD partner Daughters of Charity works with women who struggle to find enough food to feed their families. The impact of a gift of a cow to a family can be dramatic, providing plenty of nutritious milk. Butter and cheese can also be made from the milk and sold at market, bringing in an extra income. At Harvest we give thanks for what we have and share with people that don't have enough.

Collection Sunday 28th September: £279.79 Bishop's Administration Fund: £45.50
CAFOD £10 - (current total: £77.97) Attendance: 81
