Did you know ..... that CAFOD is speaking out about climate change because it is the *single biggest threat* to reducing poverty that exists today? Whether it's floods destroying livelihoods or unpredictable rains leaving millions hungry. We invite you to join CAFOD's *One Climate, One World* campaign to make climate change a priority for the sake of our neighbours worldwide at [www.cafod.org/uk/campaign](http://www.cafod.org/uk/campaign) We can make a difference if we act together. "Earth at its beginning was for all in common, it was meant for rich and poor alike; what right have you to monopolise the soil? Nature knows nothing of the rich; all are poor when she brings them forth." St Ambrose of Milan
